CA Internet Security Suite Plus 2010 (Package) (1-user) AUS
Activation Code: **ERG7Q-JPGXX-PG4JK-RKGZZ**

[1] Windows Vista users must log in as an Administrator

Start up the Installation Wizard!

After you insert the CD into the CD ROM drive, the Installation Wizard will start automatically. Just follow the simple directions. It's quick and painless.

If the Wizard doesn't start automatically, just double-click on the drive with the CD, and then double-click the setup.exe file.

Need some help?
Click Help in the Wizard to get step-by-step instructions.

For Netbook users:
You can download the software at home3.ca.com/ISS2010
